WHY YOU NEED AN AMERICAN BANKERS CARE, CUSTODY, OR CONTROL POLICY

In many cases, buying a farmowners or general liability policy isn't enough.

For instance, even if you have these two policies, you might be held responsible if:

- An animal boarded at your farm is injured attempting to jump a fence.
- A fire or other cause results in the injury or death of an animal boarded at your farm.
- An employee of yours leaves a barn door open or forgets to lock a gate, and an animal boarded at your farm gets out and is injured or killed.
- Any one of a thousand possible incidents that might occur while an animal is in your care.

With an American Bankers Care, Custody, or Control policy you are protected against liability resulting from death or injury to non-owned animals in your custody. American Bankers will defend and will be responsible for making payment if it is decided that the claim is due to negligence in accordance with the terms of the policy. Your American Bankers agent will be happy to explain this coverage in greater detail.

I accept/reject American Bankers' Care, Custody, or Control.
